We will match the participants with similar interests and arrange short meetings during the conference (on Saturday morning). This gives each participant the opportunity to meet exactly the person he/she wants to meet without having to run around looking for name tags for 3 days. (for details please see [www.sustainability.at/easy](http://www.sustainability.at/easy), "Partner Meeting")

I am interested to participate. Please provide me with information about the other participants ahead the conference. You may publish my Name, Institution, Country, www-link on [www.sustainability.at/easy](http://www.sustainability.at/easy)
